

Year 1 Newsletter - Autumn 1

The children have started their journey into Year 1 with such a positive attitude! They are able to access continuous provision along with some short, more formal lessons. This is really helping them with the transition from Foundation Stage into Year 1. In writing, they have been learning about 'Bog Baby' and enjoyed making their very own from clay. In our maths lessons, they have been counting and using manipulatives to support their place value knowledge.

In science, we are learning about seasonal changes and the children have enjoyed making their own weather mobiles. They loved exploring our playground for branches to be able to do this.

General Information

PE - This term, the children have their PE lessons on a Monday afternoon. The children have both an outdoor and indoor session on this day. As the weather will be getting colder, please can you provide your child with warm PE kits such as long PE trousers, a jumper and trainers.

Home reading - Children need to continue to read at home as part of the home school agreement. This is to help improve their reading stamina and fluency. It should be enjoyable and therefore, if they read books that they have selected independently, or news articles that they have found interesting, then we want to hear about it. The children will receive their reading record and Read, Write Inc book on Friday for them to be safely returned on the following Thursday.

Thank you for your continued support,

Miss Barton
